

### Water Supply Scheme to Moolky

163 Sri K. RATNAKUMAR KATTEMAR (Moodabidri).—

Will the Minister for Development and Co-operation be pleased to state :—

the reasons for the delay in sanctioning water supply scheme to Moolky, though the Panchayat has deposited Rs. 10,000 already in this behalf ?

A.—Sri P. M. NADGOUDA (Minister for Development and Co-operation).—

The proposal for providing protected water supply scheme to Moolky Town Panchayat area is under consideration. The Panchayat has not deposited any amount so far.

### Metallurgical Laboratory Building

164 Sri H. SIDDAVEERAPPA (Harihar).—

Will the Chief Minister be pleased to state :—

(a) whether the Metallurgical Laboratory building of the Steel Factory in Mysore Iron and Steel Ltd., Bhadravathi is under construction ;

(b) the estimated cost of this building ;

(c) who is the contractor doing this work ;

(d) whether this is one of the buildings constructed under the supervision of the Industrial Development Consortium ;

(e) whether the RCC roofing of this building collapsed in the month of October, 1967 when the work was actually in progress and if so, the reason for the same ;

(f) the number of workers actually working at that time and the number of those who were hurt and sustained compound injuries and fractures and the number of those who are permanently disabled to earn their livelihood ;

(g) whether any compensation is paid to them and if so, how much and by whom (information in respect of individual cases may be furnished) ;

(h) whether the regular staff in charge of the construction of new buildings were attending to this work and if so, the nature of supervisory work entrusted to them ;

(i) whether any loss is incurred by the Iron and Steel Ltd., in this behalf and if so, how much ?

## A.—Sri S. NIJALINGAPPA (Chief Minister).—

(a) Yes.

(b) Rs. 8,03,000.

(c) M/s. Mysore Construction Company, Bangalore.

(d) Yes.

(e) Only the roof of the Lecture Hall which is a small portion of the building collapsed. Due to rush of seepage water underneath the centering, and due to weak centering, it collapsed.

(f) Number of workers that were actually working ... 80

Number of workers hurt ... 48

Sustained compound injuries and fractures ... 7

Only in the case of one person, permanent disability may result if all treatment given does not improve.

(g) The amount of compensation as per Workmen's Compensation Act is being arranged to be paid by the contractors, i.e. Mysore Construction Company. The Statement showing the list of persons and the amount of compensation payable is appended. In respect of 3 persons, they are still undergoing treatment in the Hospital and the compensation indicated is approximate depending on the period of treatment.

(h) M/s. Industrial Development Consortium were attending to the supervision work and the nature of the work entrusted to them is designing, checking and supervising the Civil Engineering works, recording the measurements and preparation of bills for payment to the contractors.

(i) Nil.
